IV. Electronic Filing System Update

Staff Attorney Chang, Computer Specialist Lui, and Executive Director Gluck continue to work with our contractor, IWMentor, and with the Office of Enterprise Technology Services ("ETS") to complete this project expeditiously. We understand that ETS has completed its licensing agreement regarding the state-wide log-in portal, though that system is not yet operational. While we are still waiting for ETS, IWMentor is diligently preparing the database architecture and the user interface to ensure our project is ready to launch as soon as possible.

V. Personnel Updates

The Commission staff welcomed Gil Serrano, a Master's Degree student with the University of Hawaii's College of Social Sciences, Public Administration Program, as an intern for the spring semester. Gil is an attorney in Honolulu, and will be completing his practicum hours with the Commission.

VI. Miscellaneous office projects/updates

- a. Commission staff completed the 2016 Annual Report, now posted on the Ethics Commission website at http://tinyurl.com/HSEC-2016AnnualReport.

- c. Executive Director Gluck is working with Kristin Izumi-Nitao, Executive Director of the Campaign Spending Commission, to create a web page that shows all campaign contributions, gifts, and financial disclosures for legislators in one place.
- d. The records retention policy for the office is nearly complete; we are awaiting final approval from the Archives office.
- e. We are planning to clean up the storage room adjacent to the lobby, move our copier and server to that area, and use the vacant office for our investigator (so that he and our part-time staff attorney both have functional work spaces). We are scheduling the installation of new cables for Kuhio Day or Good Friday (state holidays when the office is closed but when contractors still charge regular, weekday rates).
- f. Pat Mukai has been working to set the training schedule for 2017, making sure that Commission staff travel throughout the State to reach as many individuals as possible. The Commission staff continues to work towards offering on-line training options.

LEGISLATIVE UPDATE

- Attachment 2: Ethics Commission Bills
- Attachment 3: Non-Ethics Commission Bills

SUNSHINE MEETING AGENDA ITEM IV LEGISLATIVE UPDATE February 16, 2017

The Commission requested that the Legislature introduce a total of 14 bills. The Ethics Commission's "omnibus" bill was introduced in both the House (HB290) and the Senate (SB458). The omnibus bill was split into six component pieces and introduced in both the House (HB 508, 509, 510, 511, 512, 852) and Senate (SB 853, 856, 872, 875, 1089, 1090).

A tracking chart for the Commission's bills is below. In short:

- The omnibus bill (HB290) and one component piece (HB852), along with the task force bill that made it to conference committee last year (HB98), passed the House Labor Committee on Feb. 7 and are next referred to the House Judiciary Committee. Our understanding is that the Judiciary Committee does intend to hear these bills.
- Three more component pieces (HB 508, 511, and 512) were heard by the House Judiciary Committee on Feb. 9; the Committee passed two of them (HB 508 and 512), and intends to revisit the third bill (HB 511), after the Commission has an opportunity to consider a possible amendment regarding lobbying on behalf of Grant In Aid applications (to be discussed at the Commission meeting).
- The Senate Committee on Judiciary and Labor will hear SB872 (identical to HB512) on February 13.

The Commission has also testified on a number of bills introduced by other parties. Most bills relate to the University of Hawaii's proposed technology transfer program; the Commission has testified in opposition to some and with comments on others. The Commission also testified in opposition to a proposal to exempt teacher-led travel from the Ethics Code.

As of February 16, 2017, the Commission will have testified on a total of at least 19 bills. Testimony on the Commission's bills is available on the Commission's website, <u>http://ethics.hawaii.gov/2017leg/</u>.

Spreadsheets showing the status of all Commission bills and all other bills being monitored by the Commission are below.
