1 **CALL TO ORDER (0:03)**

2  
3 Chair Fong called the meeting to order at 9:00 a.m. Chair Fong, Vice Chair Tobias,  
4 Commissioner Thielen, Commissioner Hong, Commissioner Becker, and Commission staff  
5 were present. All Commissioners and staff participating via video or audio conference  
6 confirmed no one else was present at their respective remote locations. Executive Director  
7 Harris reminded participants that the meeting was being recorded for the official record  
8 and posted online.  
9

10  
11 **Agenda Item No. I: Consideration and Approval of the Minutes of the July 16, 2025,**  
12 **Meeting (2:13)**

13  
14 Vice Chair Tobias moved to approve the minutes of the July 16, 2025 meeting, seconded by  
15 Commissioner Thielen. The motion passed unanimously with all Commissioners voting in  
16 the affirmative. (Fong, Thielen, Tobias, Hong, and Becker)  
17

18  
19 **Agenda Item No. II: Directors' Report (2:46)**

20  
21 **1. Education & Disclosures – Report/Updates (2:54)**

22  
23 Compliance Director Bonita Chang reported that a live training session was held in July  
24 with 13 participants, including several Tier 1 mandatory officials.  
25

26 Staff continues to follow up with board members to remind them about their disclosures  
27 and training requirements. Staff is also confirming the current status of board members  
28 with their respective board administrators, as some may have reached the term limit.  
29

30 On August 7, Compliance Director Chang led a COGEL Connect webinar as part of the  
31 panel with representatives from Ohio and Pittsburgh. It focused on how to manage  
32 training, information, data, and track attendance. Over 30 participants attended the virtual  
33 meeting with program-level staff who help manage various state and city agencies. The  
34 purpose was to share resources on how to track training to the smaller agencies that don't  
35 have the resources or Learning Management Systems.  
36

37 Chair Fong commented on the 90% plus rate on those in compliance with the ethics  
38 training requirement.  
39

40 Commissioner Thielen inquired about the legislative members of the House's compliance  
41 with mandatory trainings, as it was noted that 46 members attended the in-person ethics  
42 training.  
43

44 Executive Director Harris explained that the training conducted in January this year was  
45 requested by the Speaker of the House as a refresher for House members. It has been a  
46 custom for the past four years for the Speaker of the House to mandate that

representatives attend a yearly update with the Ethics staff to discuss most recent changes in the law. Some members, however, were unable to attend this additional training session due to scheduling conflicts.

## **2. Guidance and Assignment Statistics – July 2025 (8:45)**

Enforcement Director Kee Campbell reported that:

- 34 new complaints received, and 39 complaints closed in July.
- Year-to-date: 206 complaints opened; 196 closed.
- For the next quarterly statistics in October, staff are working on redefining the statistical information with new categories, including case closure timelines.

Chair Fong inquired about frivolous complaints and jurisdictional overlaps with the Honolulu Ethics Commission.

Enforcement Director Campbell explained that some of the complaints submitted do not involve state employees, and staff will inform the complainant and suggest an appropriate agency or department to refer them to. Others are dismissed due to a lack of jurisdiction or are better handled by other agencies (e.g., HR, police misconduct, or non-state employee matters). For more substantive complaints, the investigator requests records and reviews the matter to determine if there is merit to the complaint and whether a referral is appropriate. A very small number of cases are referred to the Honolulu Ethics Commission.

## **3. Miscellaneous Office Projects/Updates (12:38)**

Executive Director Harris reported that he has not received an update from the Judicial Council on the submission of nominees to the Governor for appointment to the Ethics Commission. Commissioner Tobias continues to serve in a holdover capacity.

### **Agenda Item No. III: Discussion of Media Reports Concerning Ethics or the Ethics Commission Since the Last Meeting (13:22)**

6 the Senate, with procurement authority over contracts exceeding \$100,000.
