Robert, Fellow Commissioners and SEC Staff:

Please accept my letter of resignation effective as of 21 April 2026 due to my being appointed by the Governor to the Hawaii Sister State and International Partnership Commission, effective as of 30 April 2026.

It is with mixed feelings that I leave the Hawaii State Ethics Commission. I thank the Governor for this appointment and the opportunity to continue my service to the State of Hawaii. I look forward to this new challenge. However, I will miss working with all of you in fulfilling the mission of the State Ethics Commission. It has been a pleasure and honor to work with such competent and dedicated professionals.

A special thank you to ED Robert for working with me and helping me do my duty as the chair.

I have always said that ethics is the cornerstone of good and honest government.

My sincere mahalo,

Wes Fong, Chair

SUNSHINE LAW MEETING
AGENDA ITEM II

ELECTION OF OFFICERS: APPLICABLE ADMINISTRATIVE RULES AND CURRENT
COMMISSIONER TERMS

The Commission's administrative rules provide for the annual election of a chair and vice chair whose terms will commence on January 1 of each year. Hawai'i Administrative Rules § 21-1-10 states as follows:

§ 21-1-10 Chairperson and vice-chairperson. (a) A chairperson shall be elected by a majority of all the members to which the commission is entitled, who shall serve for a term of one year or until a successor is elected, with such term to commence on January 1 of each year.

(b) A vice-chairperson, who shall call and chair meetings in the incapacity or absence of the chairperson, shall be elected by a majority of all the members to which the commission is entitled, and shall serve for a term of one year or until a successor is elected, with such term to commence on January 1 of each year.

The Commission has previously scheduled the election of officers in January. However, in some years, the Commission has deferred the election of officers to July and kept the current officers in place until that time.

At the Commission's meeting on February 21, 2026, the Commission elected its current officers, Chair Fong and Vice Chair Hong. On April 30, 2026, Chair Fong resigned due to his appointment to another commission. Commissioner Hong now serves as acting chair.

The Commission may elect a new chairperson and/or vice chair or defer the matter until new members are appointed by the Governor.

The following table is provided for your information.

36 **• Financial Disclosure Season**

37 The annual filing deadline for continuing filers is Monday, June 1, 2026. Staff
38 members have been assisting callers with submitting their financial disclosures.
39 After the Hawai'i State Senate's advice and consent process is completed, staff will
40 contact new board and commission members to file their financial disclosures and
41 complete the mandatory ethics training course.
42

1 • **Website updates**

2 The updated online complaint form was launched on April 1st, with a new landing
3 page and FAQs to streamline and enhance the user experience and to make the
4 intake process more administratively efficient.

5
6 **2. Guidance and Assignment Statistics – March 2026 (6:02)**

7
8 Enforcement Director Kee Campbell reported that a total of 92 of the 101 complaints
9 received this year have been closed.

10
11 The First Quarterly enhanced statistical reporting shows that a total of 108 complaints
12 were opened. With the newly revised online complaint form, staff anticipate a reduction in
13 “no jurisdiction” complaints and expect to be able to direct people more appropriately and
14 efficiently. Statistical data indicate that approximately half of the complaints received are
15 outside the Commission’s jurisdiction, and about half are referred to other agencies. Fair
16 Treatment complaints continue to be the most common type of issue received.

17
18 Attorney of the Day trends indicate that most questions concern gifts and fair treatment
19 inquiries. A total of 27 written guidance summaries were emailed during the quarter, and 2
20 guidance letters were issued.

21
22 Director Campbell explained that “lack of jurisdiction” complaints generally involve matters
23 related to non-state employees. Staff refers these complaints to the appropriate county or
24 federal agency that may have jurisdiction and notifies known complainants where they can
25 properly file their complaint.

26
27 **Chair Fong noted a guest arrived: Greg Misakian introduced himself. (10:22)**

28
29 Executive Director Robert Harris noted that as staff continue to develop the enhanced
30 reporting features, future reports will include more detail on where non-jurisdictional
31 complaints are being directed. These reports are intended to update the Commission and
32 the public on the number of inquiries received each month for transparency purposes.
33 Details of individual cases, which are confidential, are shared with the Commission in the
34 non-sunshine, adjudicatory meetings.

35
36 **New Assignments in March:**

- 37 • 34 Complaints received
38 • 22 Gift/Travel requests for guidance
39 • 68 Attorney of the Day inquiries

40
41 **Closed Assignments in March:**

- 42 • 26 Complaints closed
43 • 27 Gift/Travel guidance letters sent
44 • 59 Attorney of the Day inquiries

1 **3. Miscellaneous Office Projects/Updates (19:56)**
2

3 Executive Director Harris provided the Q3 financial report, noting that most costs are fixed
4 and the Commission is on budget for the year.
5

6 Director Harris noted that the Commission's Secretary, Lynn O'Ravitz, will be leaving the
7 office sometime in July. She has been with the office for the past 10 years and has benefitted
8 the Commission on multiple levels. She will be sorely missed.
9

10 Vice Chair Hong recommended that a letter of recognition be sent to Ms. O'Ravitz for her

TABLE B: SURVEY QUESTIONS & FEEDBACK BY COMMISSION

- A. Legal Counsel to the Commission.** Advises Commissioners on legal issues; ensures Commissioners are aware of both sides of the issue; and applies ethics and lobbying laws in a fair and consistent manner.
- Robert has done a great job providing counsel to the Commission. In some cases, however, clearer presentation of the relevant facts and evidence would have been helpful. It may also be useful to provide staff with additional training opportunities.
 - Robert keeps the Commissioners well informed to keep us current.
 - Robert does a good job explaining the issues in a balanced fashion.
- B. Meetings and training.** Develops positive, cooperative, and collaborative relationships; assists in conducting meetings in a timely manner; and receives input.
- I feel that the Commission meetings were well run and the Commission Chair was appropriately advised about the issues before the meetings. The training program is doing very well and represents a model for State government.
 - Under Robert's leadership training of required state employees has exceeded 90%.
- C. Administration and Enforcement of Ethics and Lobbying Laws.** Oversees, plans, and implements effective complaint investigations; oversees the timely administration and compliance with disclosure requirements; and oversees enforcement proceedings.
- The staff has done an excellent job addressing new cases and enforcement under Robert's guidance.
 - Under his leadership the staff has expeditiously taken care of all complaints within two years.

- D. Education Program.** Develops, conducts, and manages an educational program for state employees and government officials; develops educational materials to help ensure compliance; and helps with the development, design, and maintenance of the Commission's website.
- Robert has been active working with other agencies insuring access to Ethics training and help. The monthly statistics have been both helpful and reassuring of continued education efforts of the State employees. The online training has been an excellent educational effort.
 - Under his leadership, staff has provided relevant ethics training for all required state employees with an on duty lawyer to answer questions via phone.
- E. Media.** Responds to the media in a clear, concise, and professional manner; and issues appropriate news releases, commentaries, and letters to the editor as necessary.
- The forwarding to the Commission of relevant publications has been very helpful.
 - Robert has an excellent rapport with the media, especially Civil Beat, who highlights the commission's work
- F. Relationships.** Maintains professional relations with other state, local, and federal agencies; maintains relations with local and national organizations, such as Common Cause Hawai'i, the League of Women Voters, and the Council on Governmental Ethics Laws; and promotes ethics and "good government" initiatives.
