LOBBYING BILL REPORTING FAQs

WHAT DO I NEED TO REPORT?

You must report all items lobbied on during the statement period (by bill number or other similar identifier) and indicate whether you supported, opposed, or commented on the matter.

This includes legislative action (bills, resolutions, governor messages), as well as administrative rulemaking action before state agencies.

WHEN DOES LOBBYING BILL REPORTING TAKE EFFECT?

The new lobbying bill reporting requirement under Act 8 takes effect on January 1, 2025 and will apply to your Jan-Feb 2025 expenditure report and on.

It does not apply to the May-Dec 2024 report.

HOW DO I ENTER ITEMS?

You can enter lobbying bill info manually onto your report, or upload multiple items automatically using a template worksheet that is posted on our website and on the Lobbying E-Filing System.

See Organization Expenditures Quick Guide & the Lobbying E-Filing System FAQs.

HOW DO I USE THE TEMPLATE?

Download the template and use it as a tracking sheet. When you are ready to upload the data, click Import Leg Admin Action Report and Upload Files. Items listed on the template will be automatically added onto your report.

WHAT IF I LOBBY FOR MULTIPLE CLIENTS?

Report all items lobbied on during the applicable reporting period for each client.

PRACTICE TIP: Keep one copy of the template as your "clipboard" (for uploading data); and keep a separate copy of the template for each client (rename the file for a specific client, and create tabs for each reporting period). Copy/paste items from a "client-specific" worksheet to the "clipboard" template, which you can then use to upload info onto your expenditure report.

WHAT IF I CHANGE POSITIONS ON A BILL?

Enter the most recent position taken on a particular bill, as of the date of the filling of your expenditure report.

Example: You initially opposed HB200 in January. But, after it was amended in February to address various concerns, you testified in support of the amended version of the bill. Select HB (bill type), type "200" (bill number), and select "support" (bill position) on your Jan-Feb report.
